

## Declaration to Trina panels' cleaning method

To whom it may concern,

**B&B Solarreinigung GbR**

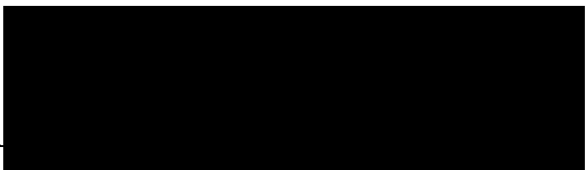

**Autenried 18**

**D-87634 Günzach (Germany)**

Changzhou Trina Solar Energy Co. Ltd hereby officially confirms that our PV panels could be used demineralised water and a soft brush for cleaning the glass surfaces of all types of solar modules manufactured by Trina Solar.

Accordingly the modules are still covered under the standard

**< LIMITED MANUFACTURER'S WARRANTY FOR TRINA SOLAR BRAND CRYSTALLINE SOLAR PHOTOVOLTAIC MODULE >.**
